

The Awards Ceremony will take place on 11 July 2018,
The Vox Conference Centre, Birmingham

CALL FOR ENTRIES

We are delighted to invite entries for the seventh AD & Biogas Industry Awards. This competition recognises those who have made an outstanding contribution to AD and biogas in all sectors of the industry both in the UK and globally.

You can enter more than one category but all applications must relate to achievements or performance during the 12-month period February 2017 to February 2018. However, relevant material can be submitted for work prior to February 2017 that has contributed to the results seen in the applicable period. Full entry criteria for the 2018 AD & Biogas Industry Awards are listed on ADBA's website at adbioresources.org/events/awards/

CHECK LIST

- I have attached a 1,500-word submission
- I have attached a 100-word synopsis
- I accept the criteria and rules outlined in the entry form
- I agree to provide additional data to support my entry, if requested
- I consent to a site visit to verify claims made within my entry, if requested

Please select one of the two options below:

- I confirm that our organisation is not subject to any ongoing prosecution or enforcement action by the Environment Agency (or other environmental regulator), the Health and Safety Executive or the Animal and Plant Health Agency, and has not been subject to any such prosecutions or enforcement since July 2016. I understand that AD&BIOGAS/WBA reserves the right to undertake independent checks and to rescind any award or shortlisting given.'
- Should your organisation be or have been subject to any relevant legal action, please provide details for the judges' consideration.
